

Survivors of Suicide Tucson

(SOS Tucson) is a 501(c)3 offering many types of services. We are a support group system for those who have lost a relative or friend through suicide. SOS Tucson is dedicated to providing information and support to assist in the grieving and healing process.

Our Mission

Our mission is to support people who have lost someone to suicide and educate the community about suicide prevention and postvention as well as help survivors come to the realization that there are possibilities through tragedy.

Meetings

Meetings in Tucson are the first and third Thursday of each month from 6:30-8:00 pm
Catalina Methodist Church
2700 E. Speedway, building H-30.

- Suicide, the act of taking one's own life, is a leading cause of death in Arizona
- Approximately 800 people die from suicide in Arizona each year. For each suicide, there are at least six survivors, which means there are 4,800 survivors in Arizona per year.
- Mortality from suicide, which increases steadily through the teens, is the second leading cause of death at that age.
- The number of suicides in Arizona are double the number of homicides.
- Every day, approximately 90 Americans take their own life, and 2,300 more attempt to do so.
- Exposure to suicidal behavior of others, including in fiction, is a risk factor for suicide.

Survivors of Suicide Candlelight Vigil

November 7th, 2009
5:30 pm
Reid Park Ramada #3

With the social stigma surrounding suicide, survivors feel the pain of the loss, and may not know how, or where, or if, they should express it. Survivors of Suicide Tucson is a 501(c)3 non-profit group that provides a safe place for survivors, promotes community awareness and offers postvention services.

On November 7th, 2009 at 5:30 pm at Reid Park Ramada #3. A candlelight vigil will take place to honor our lost ones and to pay tribute to the ones that are left behind to carry the torch of losing someone they loved to suicide. Please join our community and help us raise funds as well as awareness.
